These include factors relating to the type of property being insured, where the property is located, the type of construction of the property and your previous insurance and claims history.

Premiums are subject to Commonwealth and state taxes, charges and levies. These include the Goods and Services Tax, stamp duty and fire service levy. The amount of these taxes, charges and levies will be shown on your schedule.

## **Paying claims**

### **Excesses that apply when you make a claim**

An 'excess' is your contribution towards the cost of a claim. We will tell you if you need to pay an excess when you make a claim.

In most instances you can select, at the time of your enquiry or application for insurance, the amount of the excess you wish to pay should you make a claim. When you select a higher excess amount we will normally reduce the amount of the premium you will have to pay.

We take into consideration a number of factors in setting the amount of the excess. These include factors relating to the type of property being insured, where the property is located, the type of construction and your previous insurance and claims history.

At the time of your enquiry or application for insurance, the amount of the excess will be advised to you.

For each claim for your buildings and your contents, we will reduce the amount we pay you for your claim by the amount of the excess. The amount of your excess is shown on your schedule.

Your excess will be increased by \$250 for any claim for loss or damage arising from an earthquake or tsunami. This loss or damage must occur within 72 hours of the earthquake.

When a claim is paid for loss or damage to your buildings and your contents, the excess amount will only be applied once. You will not be required to pay any excess in the event that your buildings or contents are a total loss.

When a claim is paid under 'Additional things we will pay for when you have insured your buildings' only, 'Additional things we will pay for when you have insured your contents' only, or 'Additional things we will pay for when you have insured your buildings and/or contents' only, your excess will not apply.

## **The most we will pay for your buildings or your contents**

The most we will pay for any claim for your buildings or your contents is the sum insured shown on your schedule. This does not apply to amounts payable under 'Additional things we will pay for when you have insured your buildings', or 'Additional things we will pay for when you have insured your contents', or 'Additional things we will pay for when you have insured your buildings and/or contents'.

There are some contents items that we will only cover up to a certain amount. See 'What are contents' on pages 23 to 25 for details of these contents items and the amounts we will pay.

## **How we pay a claim for buildings**

### **When your schedule shows 'including replacement benefit'**

We will also pay any additional costs required for your buildings to comply with government or local authority bylaws. We will not pay these additional costs if you were required to comply with these bylaws, and had not done so, before the loss or damage occurred.

Rebuilding or repairing your buildings must commence within six months of the loss or damage occurring. If it does not commence within six months, we will do one of the following:

- pay you the cost of reinstating or repairing your buildings to the condition they were in just before the loss or damage occurred
- pay you the value of the land and your buildings just before the loss or damage occurred. We will reduce this payment by the value of your land and your buildings after the loss or damage occurred.

We decide which one we will do.

We will pay for the damaged portion of fixed coverings to walls, floors and ceilings only in the room, hall or passage where the damage occurred.

We will try to match any material used to repair your buildings with the original materials. If we cannot, we will use the nearest equivalent available to the original materials. We will not pay any costs for replacing undamaged property.

- we will return to you the premium for the period from the date the policy ended to the due date of the policy.

## How the Goods and Services Tax affects your claim

Where we make a payment under this policy for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any input tax credit that you are, or will be, or would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 in relation to that acquisition, whether or not that acquisition is actually made.

Where we make a payment under this policy as compensation instead of payment for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any input tax credit that you would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 had the payment been applied to acquire such goods, services or other supply.

## The law that applies to this policy

Any disputes arising from this policy will be determined by the courts, and in accordance with the laws, of the state or territory of Australia where this policy is issued.

## How to make a claim

Please contact your nearest CGU Insurance office when something happens that you believe you can claim for.

## What you must do when you make a claim

You must make your claim as soon as possible after you suffer a loss. If you do not make your claim within 30 days, we may reduce what we pay you by an amount to take account of any disadvantage we suffer by the delay.

You must also:

- take all reasonable steps to stop any further loss from occurring
- advise the nearest police station if your property is lost or stolen, vandalised or maliciously damaged. We may ask you to give us a written report from the police
- keep the property that has been damaged so we can inspect it
- tell us about any prosecution or inquest that may be held

- send us any document relating to your claim within 72 hours of you receiving the document.

## **What you must not do when you make a claim**

You must not do any of the following:

- repair or replace any damaged property without our consent
- pay, promise to pay, or offer payment, or admit responsibility for a claim.

## **You give us your rights to claim from anyone else**

If you have a right to claim against someone else for a claim you made under this policy, you give us your rights to make that claim. You also give us your rights to conduct, defend or settle any legal action and to act in your name.

You must not do anything which prevents us from doing this and you must give us all the information and cooperation that we require.
